

South Magnetic Pole Movement Based on Magnetic Field Models 1590 – 2010

Produced by NOAA's National Geophysical Data Center, December 2005

Pole Location Data Produced by UFM and IGRF-10 Magnetic Field Models

1590–1940
Uniform Flow Model (UFM)
Jeremy Bloxham and Andrew Jackson
Uses modified code by J. Bloxham, 11 Oct. 1983

1950–2010
International Geomagnetic Reference Field Model (IGRF-10)
International Association of Geomagnetism and Aeronomy (IAGA)
Susan Macmillan and Stefan Maus
Working Group V-MOD
December 2004
