BATHYMETRIC MAP

ATLANTIC OCEAN
BAHAMAS

This map information including bathymetry was compiled by the National Ocean Service (NOS). Bathymetry was obtained from NOS hydrographic surveys conducted by hydrographic surveyors from other sources (as noted), NOS hydrographic surveys conducted with International Hydrographic Organization (IHO) Publication 44 accuracy standards or those used at the date of the surveys. This information is not intended for navigational purposes.

Universal Transverse Mercator Grid Zone 17, 10,000 meter ticks (1:100,000 scale under the resolution).

Offshore orientation survey data, derived in part, compiled by the Multiple Management Services. Map is subject to NMS Outer Continental Shelf Official Programmatic Diagram. The information on this map is not for Federal Leasing activities; for such purposes refer to the DEIS Official Programmatic Diagram available from the Multiple Management Services.
