BATHYMETRIC MAP

BLAKE PLATEAU
ADAMS

Base maps information including bathymetry was sampled by the National Ocean Survey (NOS). Bathymetry was generated from NOS hydrographic surveys supplemented by other hydrographic sources (see notes). NOS hydrographic survey data compiled with International Hydrographic Organization (IHO) Special Publication 14 surveying standards or better used on the date of the survey. This information is not intended for navigation purposes.

Universal Transverse Mercator (UTM) Zone 17 UTM Meter Units (—) are shown inside the map area.

Orthorectified survey data, gridded or rectified, compiled by the Bureau of Land Management. Hence lines indicate lines of BLM Outer Continental Shelf Official Hydrographic Diagram. The projections on the map are not for Federal Mapping purposes; for such purposes refer to the OCS Official Hydrographic Diagram available from the Bureau of Land Management.

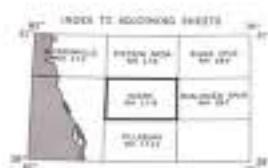

HYDROGRAPHIC SURVEY INFORMATION			
SURVEY NUMBER	SURVEY DATE	MAP NUMBER	LATITUDE AND LONGITUDE
17-1	000	17-000	30°00'00"S 78°30'00"W
