Presentation of 12th SCTC

Mengu Cho
Laboratory of Spacecraft Environment Interaction Engineering
Kyushu Institute of Technology
Japan
With help of West Japan Industry and Trade Convention Association
12th SCTC

• Planned in May 2012 at Kitakyushu International Conference Center
• Hosted by Kyushu Institute of Technology
Why in Japan?

- Keep the cycle of US-Japan-Europe
- 19 participants and ? papers form Japan this time
- Prospect of having participants from Korea, China, India and other Asian countries
Access to Kitakyushu

- 5 daily flights from Seoul
- 16 daily flights from Narita
- 5 daily flights from Haneda
- 3 hours by train from Osaka
- 90 mins from Haneda to Kitakyushu via bus or train

International flights to Haneda from October 2010

45~90 mins from Fukuoka airport to Kitakyushu via bus or train
Subsidy System - Financial Support

A convention host, in proportion to various conditions such as the scale of the convention, can receive a subsidy of up to 5 million yen (approximately U.S. $47,200). The subsidy need not be repaid and is paid after the convention ends.
**Accommodations**

- **KOKURA Area** (within 15min. walk from Kokura Station)
