Dear Colleague,

I hope that you will find the compact disc version of the fourth edition Handbook of Geophysics and the Space Environment to be a useful and handy reference source for information on the earth's environment. If you have questions on the environment or the applicability of The Handbook to meet your particular needs, please call or e-mail me here at AFRL (781-377-2089 or DSN 478-2089; e-mail to Gerald.Zdyb@hanscom.af.mil).

Sincerely

//Signed//
Gerald J. Zdyb
